EN

To obtain one of the two performances, it is sufficient to move backwards or forwards the outer collar of the spray (pict. A).

ATTENTION: in case jet should be imperfect or irregular, clean the special wire gauze filter (pict. B).

FR

Pour obtenir l'une ou l'autre des deux utilisations reculer ou avancer la partie extérieure de la douchette (fig. A).

ATTENTION: si le jet devient imparfait ou irrégulier, nettoyer la grille-filtre (fig. B).

IT

Per ottenere una delle due prestazioni è sufficiente far retrocedere o avanzare la parte esterna della doccetta (fig. A).

ATTENZIONE: nel caso in cui il getto si presentasse imperfetto o irregolare, provvedere alla pulizia dell'apposita reticella-filtro inox (fig. B).

ES

Para obtener una de las dos prestaciones es suficiente retroceder o avanzar la parte exterior del atomizador (fig. A).

ATENCIÓN: cuando el chorro se presenta imperfecto o irregular, proveer a la limpieza de la apropiada redicilla-filtro (fig. B).
